October 2025

Medicare Open Enrollment Begins Wednesday, October 15!

The Medicare Open Enrollment Period starts October 15 and ends December 7, 2025.

During this time period, Medicare patients are able to make changes to their Medicare coverage. These changes will take effect on January 1, 2026.

Medicare patients have a choice to either:

- Enroll with a **Medicare Advantage Plan** (please make sure this plan is participating with your physicians) or
- Enroll with **Medicare & a Supplemental Plan**.

**** Please also make sure you are enrolled with pharmacy coverage when reviewing either plan type. Failure to have pharmacy coverage may result in penalties. ****

HOA is here to help! If you have questions, please ask to speak with one of our Patient Advocates when you are in the office or call **315-472-7504** to reach Amy at extension 1076, Paulette at extension 1077 or Courtney at extension 2121.

Medicare Open Enrollment Period:
October 15 - December 7, 2025

Breathe easier with a free lung cancer screening!

Saturday, November 8, 8 a.m. to 2 p.m.

TWO HOA LOCATIONS:

- Camillus at 5490 Cobbler Way
- East Syracuse at 5008 Brittonfield Parkway

Free screenings are available to individuals ages 50-80 who:

- are current smokers who have smoked one pack a day for 20 years or two packs a day for 10 years
- OR are former smokers who quit in the last 15 years
- AND have not previously received a free lung cancer screening from us.

ADVANCE REGISTRATION IS REQUIRED

Walk-ins are not accepted

**To make an appointment,
call 315-472-7504
extension 1301**

If you are unable to attend this free screening event -- Anyone who meets the above criteria can contact HOA's [Lungs for Life Program](#) at 315-472-7504 to arrange a lung cancer screening at a time convenient for them. The Lungs for Life Program is a lung cancer screening scan and appointment with a healthcare provider to review results and recommendations. In most cases insurance will pay for the testing. It can also be paid out-of-pocket for approximately \$250.

HOA Now Offers Low-Dose Radiation Treatment for Osteoarthritis!

This new service is ideal for individuals over age 50 with one or more of the following conditions:

- Osteoarthritis not responding to medications, injections, or physical therapy
- Localized joint pain (e.g., knees, hands, ankles)
- Pain that limits everyday activities and reduces quality of life
- If you need or want to delay surgery on an affected joint

This is a safe, non-invasive treatment using targeted, low doses of radiation to reduce joint pain and inflammation caused by osteoarthritis.

Call **315-472-7504** today for an appointment to see if low-dose radiation therapy is right for your osteoarthritis. [Click here](#) to learn more.

An interactive, wellness-focused group to address healthy nutrition strategies for breast cancer survivors, who have completed active treatment. Space is limited to 10 participants.
